6. **Progressive non adapts and doctors changes.** Since our Chemestrie Magnetic Lenses are customized for the frame, it of course, can still be used. In the event of a lens non adapt, we will fabricate the new Rx lenses to ensure correct integration with the frame and the Chemestrie Magnetic Lenses. There will be a nominal charge of \$10.00 for parts and labor to implant magnets in the new Rx lenses. The cost of the Rx lenses will be our usual and customary charges as listed in our current Tri-Supreme Rx price list.
